

Auction ideas

Auction and raffle ideas that fit golf fundraisers and local sponsor networks.

Field note: The best auction items are easy to understand, easy to collect, and easy to hand over.

What repeat organizers remember

- Bundle small donated items into stronger themed packages.
- Get restrictions in writing before the item goes live.
- Winning bids are not finished until the prize is delivered.

Tip: add owner names and dates before sending this to your committee. A checklist becomes useful when someone is responsible for each line.
